

Features of the Range:

Polar Refrigeration's Heavy Duty commercial range has been created with the busy commercial kitchen in mind.

These tough, robust cabinets are designed to work effectively in high ambient temperatures and have features such as forced air cooling, heated defrost, stainless steel interior, high quality LED display's and lockable castors.

Polar Heavy Duty Range is the ideal choice for the commercial food-service professional. Our Polar Heavy Duty cabinets provide even temperatures and fast recovery times.

Features and Benefits:

- Automatic defrost regularly defrosts the evaporator in a refrigerator or freezer saving time in a kitchen
- Forced air cooling recovers the unit's temperature faster
- The unit is compatible with a wide range of Gastronorm Pans
- Lockable castors make the unit easy to move and secure into place
- Constant LED display of temperature
