

LabFlame Series

Accessories

Spray protector

LF.6.000.200 standard
For more safety when working with pathogenic material in presence of strong air flow

Wind shield

LF.8.000.600
Stainless steel, for stable flame under conditions of strong air flow

Looptray

LF.8.000.340
For 3 loops connectable on right or left side

Burnerhead

LF.8.100.090 standard
LF.8.100.091 double length
Stainless steel, dishwasher proof and autoclavable

Tray mobile

LF.6.000.320
Stainless steel, for up to 5 loops

Foot switch

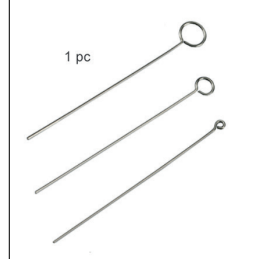

LF.6.000.402
Stainless steel, cable length 3m

Loop holder

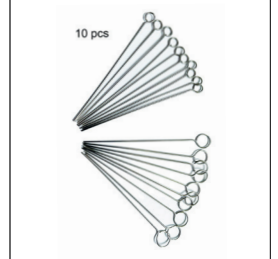

Stainless steel,
mm g
245 50 **LF.6.000.360**
245 20 **LF.6.000.361**
(ultralight)
215 50 **LF.6.000.365**

Loops Ø 0.6mm

Platinum/Iridium
Ø 1 mm **LF.6.000.381**
Ø 3 mm **LF.6.000.383**
Ø 5 mm **LF.6.000.385**

Loops Ø 0.6mm

Stainless steel
Ø 3 mm **LF.6.000.373**
Ø 5 mm **LF.6.000.375**

Safety adapter side

CV 360: **LF.8.000.700**
Express 444:
LF.6.000.750

Safety adapter C

C 206: **LF.6.000.800**

Safety adapter CV

CV 470: **LF.6.000.850**
CV 300: **LF.6.000.831**

Safety adapter CP

CP 250: **LF.6.000.820**

Safety adapter CG

CG 1750: **LF.6.000.810**

DVGW Safety tubing

0.5 m **LF.6.000.112**
1.0 m **LF.6.000.113**
1.5 m **LF.6.000.114**
2.0 m **LF.6.000.115**
3.0 m **LF.6.000.117**

Connection

Hose nozzle with union nut
LF.6.000.027
connection 90°
LF.6.000.123

Safety adapter R

R 901 / R 904 / R 907:
LF.6.000.840

Low pressure regulator

DVGW low pressure regulator
DIN 4811-4
LF.6.000.150
